Selling ads . . . making pictures . . . preparing the yearbook for publication . . . walking the extra block for that much needed dollar . . .

staying up until the wee hours trying to beat the deadline. This was our job but we enjoyed it. We hope that our efforts have brought some pleasure to you also.

Thanks!

The members of the Senior Class of '57 wish to take this opportunity to thank our advertisers, our photographers, and our sponsors, for the help and advice given during the publication of this book.
